

At this time when we give thanks for our blessings, we at Junior Achievement of Southwest Connecticut (JASWCT), take time to reflect and thank our over 650 volunteers. In the 2016-2017 school year, they have generously given their time to help Junior Achievement of Southwest Connecticut “teach 10,300 kids how business works” and the important lessons that will help make them confident, self-sufficient citizens of our country.
